Vitaland honoured with Employers' Gold Star Award

Vitaland Services Limited ("Vitaland") was honoured with the "Employers' Gold Star Award" for the second consecutive year. The award, presented by the Employees Retraining Board, marks Vitaland's active participation in employees retraining programmes and towards helping the unemployed to re-enter the job market.

Starting in 2001, Vitaland has rendered relentless support to employees retraining programmes organized by the Employees Retraining Board and has also co-organised alongside the Board to support various special training courses to re-train the unemployed and prepare them for working in the retail service sector. In addition, Vitaland's representatives have also attended the training courses in order to have a better understanding of the trainees.

Founded in 1991, Vitaland is a wholly-owned subsidiary of Vitasoy International Holdings Limited. Its primary business is to operate school tuck shops.
