**Vitasoy Joining Hands with the Labour Department
to Support “Youth Employment Start” Program**

(Hong Kong, 16 January, 2009) Vitasoy International Holdings Limited (Vitasoy International) is one the business partners of the Youth Employment Start (Y.E.S.) Program which is organized by the Labour Department. In January 2009, Vitasoy held two workshops for the Y.E.S. members to share tips of customer services and job interviews. Over 60 members participated in the workshops and most of them expressed that the workshops had helped them learn more about customer services as well as enhance their confidence in future job interviews.
